CONCERT WARM-UP

Warm-up time is 30 minutes before the concert begins. Students are required to be at warm-up on time. Attendance will be taken.

Please note: Each student is required to attend all concerts in which his/her group performs. Please clear these dates now, well in advance of each concert, to avoid any mix-ups in scheduling. Any conflict must be discussed with Ms. Matsuura or Mr. Thayer and parents at least one week in advance of the concert. Students missing a concert will be required to do outside class work prior to the concert date, except in the case of an emergency, when extra work may be handed in upon returning to school.
