(Activity) (School)

We realize that such activity involves the potential for injury which is inherent in all sports. We acknowledge that even with the best coaching, use of the most advanced protective equipment, and strict observance of rules, injuries are still a possibility. On rare occasions these injuries can be so severe as to result in total disability, paralysis or even death. We give our consent for coaches or school personnel to use their judgment in securing medical aid and ambulance service. We, the undersigned, understand the dangers of practicing, playing and participating in sports. We specifically acknowledge we have carefully read and understand this Notice of Risk for Student Athletes.

## Code of Conduct

All competitions must be conducted with a high standard of courtesy, fair play, and sportsmanship. All of those involved share responsibility. **ATHLETES:** Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgment and by showing proper respect for opposing athletes as well as for teammates.

**SPECTATORS:** The spectators, both students and adults, need to demonstrate courtesy and good sportsmanship by cheering in a positive and appropriate manner for their team and never against the opponents. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of officials' judgment and the coach's decisions.

Anyone not observing the Code of Conduct will be asked to leave and must contact the Athletic Director and Principal before returning to any other school events.

**At away games, parent/guardians can only take their own son or daughter from that event after signing out with the coach. All others must return to the school by bus.**
